6. REGULARIZATION OF SHOPS UNDER THE MANAGEMENT OF CANTONMENT BOARD CHAKRATA.

Reference PDDE CC letter No. 56612/Kanpur/Shops/Cantt/4 dated 23/05/2014 and letter No. 40349/Shops/Chak/LC7/25 dated 22/2/2019.

Office Report

The record reveals that Cantonment Board Chakrata manages a total of 80 shops built on Class 'C' land located in different areas of the Cantonment. These shops have come into existence at different points of time. Therefore, the exact time and authority of construction of most of these shops are not forthcoming from the records.

Records have also revealed that shopkeepers have been occupying these shops for decades without any renewal, although sometimes the board has revised the rent. Allotment letters for most of the shops are not available nor have any agreements been made between any shopkeeper and the board, only rent receipts from the shops are available.

It is important to note that the Cantonment Board is empowered to rent out/lease out shops/properties under section 267 of the Cantonments Act 2006 for a period maximum up to 5 years by public auction only. It is also important to note that time and again PDDECC issued directions to strictly follow the rule while renting out shops. The last such direction issued by the PDDECC vide letter No. dated 23.05.2014. The same is also placed before the board.

To resolve this issue and in compliance with the directions of the PDDE CC dated 23/05/2014, Cantonment Board Chakrata issued show-cause notices to the shopkeepers and stated PPE Act,proceeding. Being aggrieved with the action of the Board, the shopkeeper made a representation dated 04/01/2024 before the PCB. Taking cognizance of the representation, PCB

examined the matter and observed that although the occupants of the shops operate without valid authority, mass eviction is practically difficult. As the eviction directly impacts the livelihood of many families thus consequent to this critical situation the shopkeepers are likely to protest, which may lead to an uncontrollable situation. Therefore, PCB suggested that one-time relaxation may be sought from the PDDECC.

Accordingly, based on the present status /violation committed in these shops/properties all 80 shops/properties have been divided into three categories: -

- i. **CAT-I:** Shops in which there are no other violations except renewal of agreements.
- ii. **CAT-II:** Shops in which there are minor violations such as illegal change of hands.
- iii. **CAT-III:** Shops in which there are major violations such as unauthorised construction and encroachment.

To achieve a long-term solution, the matter is placed before the Board for approval of the following and to submit a comprehensive proposal to the competent authority:

- i. Ex post-facto sanction from the PDDE CC for 80 shops built on Class C land to regularize the past occupancy periods of the shops.
- ii. A one-time sanction from the PDDE CC for granting of next five years to those shopkeepers who have not committed any violations in the shops, categorized as CAT-I.
- iii. A one-time sanction from the PDDE CC for granting of next five years to those shopkeepers who have committed minor violations, such as change of hand and minor repair and maintenance in the shops, categorized as CAT-II. Appropriate fines will be also imposed as decided by the Board/competent authority.
- iv. Eviction of the shopkeepers who have committed major violations from the respective shops, categorized as CAT-III. Once the shop becomes vacant fresh allotment will be conducted through e-auction.

The sanction mentioned above will be subjected to the condition that all shopkeepers will execute a legal agreement with the Board. This agreement will specify after the expiry of the said five-year period, they will peacefully hand over possession of the shop to the Board without any objection.

All relevant documents are placed before the Board for necessary approval.

Res.06 Considered and approved. Nominated member, Shri Anil Chandna requested the Board to kindly look into the possibilities for regularization of Shops which fall under CAT-III, the Board considered the matter and resolved that any decisions in this regard will be taken only after the issuance of directions from the PDDE CC.

Reference representation dated 12/02/2024 submitted by the Chakrata Market Association for revitalization of Sadar Bazar Market.

Office Note :

Sadar Bazaar in Chakrata holds a pivotal role as the bustling central business hub of the town. Over time, however, neglect has taken its toll, and what was once a vibrant marketplace now bears semblance to an urban slum. Recognizing the urgency to restore its former glory, numerous meetings have been organized with the active participation of the market association, led by the PCB.

Through these collaborative efforts, the market association has come forward with crucial suggestions aimed at revitalizing the bazaar. These suggestions include the imperative need for uniform signboards, revitalizing the aesthetic appeal through the painting of shutters and the market entrance gate, and ensuring the provision of adequate lighting facilities to enhance safety and ambiance.

Since the revitalization of the market area goes beyond mere superficial improvements, there is a pressing need for architectural and beautification enhancements to truly rejuvenate the essence of the marketplace. Thus, it is proposed that a seasoned professional be hired to oversee the development and beautification endeavors of the market area. 23. CANCELLATION OF BYE -LAWS FOR REGULATING THE LIGHTING OF VEHICLES BETWEEN SUNSET AND SUNRISE

Reference is made to CBR No. 05 dated 02.11.2023 concerning the rescinding of bylaws and regulations related to the Cantonment Board Chakrata.

According to office records, in compliance with directions issued by the Government of India, Ministry of Defence, the Cantonment Board Chakrata, through letter No. 11/7/A/II/102 dated 07.11.2023, submitted a proposal for the cancellation of a total of 07 Bye-laws, including the Bye-laws for Collection, Recovery, and Refund of Octroi in Chakrata Cantonment, after approval from the Board via CBR No. 05 dated 02.11.2023

In the matter, the Government of India, Ministry of Defence (PDDECC), via letter No. 35281/Review of BL & Regu /56 dated 23.02.2024, has issued directions for resubmitting a separate proposal along with separate CBR for each Bye-law to be cancelled after approval from the respective Board. Following this, a self-explanatory proposal with proper legal reasoning for the cancellation of Bye-laws must be submitted to the Ministry of Defence through PDDE.

The Byelaw for regulating the lighting of vehicles between sunset and sunrise, framed by the Cantonment Board Chakrata through Notification No. 398/XI-40C dated 05/04/1933, pertains to the use of lamps on vehicles like bullock carts, rickshaws, and hand-driven vehicles, which are mandated to have lamps when parked on the street. However, as per the current status, there are no such vehicles in Chakrata Cantonment. Therefore, the Byelaw mentioned above is considered irrelevant and no longer required.

In view of the above, the Byelaw for prescribing the standard weights to be used within the limits of Chakrata Cantonment formulated through Notification No. 398/XI-40C dated 05/04/1933 is proposed for rescinding.

All relevant papers are placed before the Board for the necessary approval.

Res.23 Considered and approved.

24. CANCELLATION OF BYE -LAWS FOR PROHIBITING SHOOTING IN THE CANTONMENT LIMITS INCLUDING CANTONMENT FORESTS, CHAKRATA CANTONMENT.

The Byelaw prohibiting shooting within the Cantonment limits, including Cantonment forests, in Chakrata Cantonment, framed by the Cantonment Board Chakrata through Notification No. 398/XI-40C-19224 dated 05/04/1933, has become obsolete. This is attributed to the fact that regulations governing such activities are now comprehensively addressed under other legislation such as the Wildlife Act and Animal Protection Act. Consequently, the aforementioned Byelaw is deemed irrelevant and no longer necessary.

In view of the above, the Byelaw for prescribing the standard weights to be used within the limits of Chakrata Cantonment formulated through Notification No. No. 398/XI-40C-19224 dated 05/04/1933 is proposed for rescinding.

Reference is made to CBR No. 05 dated 02.11.2023 concerning the rescinding of bylaws and regulations related to the Cantonment Board Chakrata.

According to office records, in compliance with directions issued by the Government of India, Ministry of Defence, the Cantonment Board Chakrata, through letter No. 11/7/A/II/102 dated 07.11.2023, submitted a proposal for the cancellation of a total of 07 Bye-laws, including the Bye-laws for Collection, Recovery, and Refund of Octroi in Chakrata Cantonment, after approval from the Board via CBR No. 05 dated 02.11.2023.

The Byelaw for regulating private latrines in Chakrata Cantonment, framed by the Cantonment Board Chakrata through Notification No. 398/XI-40C-19224 dated 05/04/1933, has become obsolete. This is because the provisions of this byelaw are already addressed under the SWM Rule 2016, and a new set of Byelaws titled "Chakrata Cantonment Board Solid Waste Management Bye-laws 2022" is currently under consideration with the MoD. Furthermore, the issue is already covered under Building Byelaws. Hence, there is no need for a separate byelaw for the regulation of private latrines. Consequently, the aforementioned Byelaw is deemed irrelevant and no longer necessary.

In view of the above, the Byelaw for prescribing the standard weights to be used within the limits of Chakrata Cantonment formulated through Notification No. No. 398/XI-40C-19224 dated 05/04/1933 is proposed for rescinding.
